4.PS001

Hon. A D W Alberts (VF-Plus) to ask the Member of the Executive Council for Community Safety:

On the 02 February 2022, while on an Oversight Visit, the Safety Committee for Gauteng was appalled to hear that the SAPS at Norwood Police Station has lost more than 175 firearms since 2014. 134 exhibit firearms and 41 amnesty firearms.

What the SAPS neglected to state was that this was not the first time and it has happened before. See article IOL

<https://www.iol.co.za/amp/news/south-africa/gauteng/norwood-saps-station-commander-steps-down-after-158-firearms-stolen-from-evidence-room-dcd64b0a-b0b6-44dc-ae81-a03ba72aa085>

In light of the above-mentioned gross negligence and apparently clear corrupt activities at the Norwood Station the question arises:

Can the MEC indicate:

- (i) what is the state of other police stations;
- (ii) the Freedom Front Plus formally would like to request a full audit on all police stations in Gauteng and their 13 store rooms; and
- (iii) further that the findings be reported to the Gauteng Legislature for public scrutiny?

- (iii) what accounts for delays in opening all the departments, including the Accident and Emergency Department;
- (iv) what is the latest assessment as to when the fire-damaged sections of the hospital will be repaired; and
- (v) what steps are being taken to speed up the full re-opening of the hospital?

4.TR001

Hon. M F Ledwaba (EFF) to ask the Member of the Executive Council for Roads and Transport:

With regards to the "establishment of a single integrated and inter-modal; reliable; safe; and affordable public transport system across the Gauteng City region", would the MEC please respond to the following questions:

- (i) does the Gauteng City Region have a single ticket system for all modes of transport by the end of 2019/2020 financial year as per

- Premier Makhura's SOPA speech (in your response please indicate why this commitment was not achieved if that is the case);
- (ii) when is it envisaged that a single ticket system would be implemented and operational in the Gauteng City Region (in your response please indicate realistic implementable timeframes for record purposes);
 - (iii) how much, in Rand and cents, would a single ticket system cost for the entire province (in your response please provide an estimate for each of the five corridors);
 - (iv) how much to date has the department spent towards establishing this single ticket system; and
 - (v) would the MEC and the department apologise on behalf of the Premier for having misled the residents of Gauteng, and by extension, the citizens of the country who watched live broadcast of SOPA, about implementing this system by the end of 2020?

4.PS002 Hon. N D Radebe (EFF) to ask the Member of the Executive Council for Community Safety:
