4.PS005

Hon. R Mnisi (EFF) to ask the Member of the Executive Council for Community Safety:

During my oversight visit to Tarlton Police Station in Mogale City, it was highlighted that the station shares police vehicles with Krugersdorp and Kagiso police stations, especially during emergencies due to shortage of vehicles at the station.

With this in mind, would the MEC please respond to the following questions:

- (i) for how long this problem of police vehicles shortage in Tarlton been going on (in your response please indicate how many vehicles are allocated for the entire community and how many are currently operational);
- (ii) what is the expected response time for police officers to attend to emergencies under normal circumstances when police vehicles are readily available (in your response, please also indicate how long does it take for police to attend to emergencies in Tarlton if vehicles have to be called from Krugersdorp and Kagiso);
- (iii) in what way does this shortage of police vehicles in Tarlton affect service delivery in all the affected areas including both Kagiso and Krugersdorp where vehicles are being borrowed during emergencies;
- (iv) with regards to (i) above, what has the department been doing to ensure that Tarlton police station receives the required number of police vehicles (in your response please explain when last the department attempted to address the problem of shortage of police vehicles at this police station); and
- (v) when should the Tarlton police station expect a new fleet of police vehicles to supplement the existing ones to ensure effective service delivery and police visibility in the area and to stop borrowing vehicles from other police stations during emergencies (in your response please provide implementable timeframes)?
