PETITIONS STANDING COMMITTEE

Hon Ezra Letsoalo

Chairperson:

Petitions Standing Committee

Petitions Standing Committee - A service delivery “barometer”

Democratic participation does not end after casting your vote during elections. In-between elections, you, as a citizen, are empowered to engage government through public participation. Petition hearings are a powerful public participation platform. Join us and witness how the Petitions Standing Committee of the Gauteng Provincial Legislature facilitates engagements between authorities and the citizens of Gauteng. Follow the engagements and find out how you too can submit your own petition.
